Ways to Give 55

Dear Chaminade Family,

It is Sunday, January 26, 2020. Yesterday, we held an Open House to welcome accepted students and their families. This coming week they will register for next year's freshman class — the Class of 2024!

Bro. Thomas J. Cleary, S.M. '81

Honestly, this year's Open House was quite something. We had the largest attendance number in recent years. Everyone — student volunteers, faculty, and members of the Parents Club who were hosting — had an energy level that was palpable. Our accepted students and their families felt that same energy. It was a long day, a full day, but a great day. I tell everyone, in a not-so-kidding-way, that this day is job security for all of us for the next four years! I never take the success we have had for granted. I say we because I absolutely know that we are where we are today as an institution, as a Chaminade Family, because of the support of thousands through the years. I mean that.

How do we measure success? There are lots of ways to measure success: number of applicants (still very strong — I'm not sure if I would get in now if I applied!), number of accolades the many activities and clubs receive, number of sports awards and championships garnered, number of graduates, number of new vocations to religious life and the priesthood, number of times we see a student doing the right thing at the right time because it is the right thing to do. Yes, all these various accomplishments matter...and we are proud of them.

As you could imagine, throughout this event we were asked many times about the numbers and stats I mentioned in the last paragraph: how many go on to college, how many get 4s or 5s on the AP exams, how many students apply, etc. I get it, these things matter to an 8th grader and his parents when choosing a school. They matter to me too.

But there are other things that matter to me even more, things less quantifiable, that in the long run are infinitely more important in life. A few years ago, I was asked by a parent "How do you measure the success of Chaminade?" Almost without having to think, I said

"The measure of success for us is if the young men we graduate go on to become good husbands, good fathers, and good sons of Mary our Blessed Mother." I think I also mentioned we hope they are successful in business and remember Chaminade along the way!

This email I received also speaks to our success:

*Dear Sir,
I am a parishioner at St. Patrick Church in Watertown, MA. Your crew team attended our 10 a.m. Mass on Sunday. I want to tell you how moved I was at the reverence your young men displayed in receiving the Eucharist. I was very moved to see them approach the priest and ministers of the Eucharist with respect, honor, and such presence of holiness. They were truly a credit to their families and your school. Best wishes...*

And this unsolicited email that one of our seniors, on his own, sent to his Coach who was marching in a parade on Veteran's Day, speaks volumes:

*Hello Coach,
I know you are marching today, but I just wanted to say thank you for your service. You are the reason why myself and everyone else on the football team gets to go to a school like Chaminade. So, thank you!*

I share these two examples with you to remind you that you are an integral part of the mission of Chaminade. These successes are your successes. You believe in our mission and by your support enable us to continue moving forward. I hope you never underestimate how important and vital your support of Chaminade is in making a difference not only in the lives of our students, but in the society they will one day lead.

My heartfelt thanks. If you are in the area, please drop in to say hello — that's what families do!

Go Flyers!

A handwritten signature in dark ink that reads "Bro. Thomas".

Bro. Thomas J. Cleary, S.M. '81
President

Dear Members of the Chaminade Family,

This past year, the entire Marianist Family throughout the world celebrated the 200th anniversary of the opening of the first Marianist school by Blessed William Joseph Chaminade. A poster hanging in the halls of Chaminade captures the spirit of the anniversary:

"From the open window of our first Marianist school, a fresh stream of air poured forth carrying seeds of Marianist education to the whole world."

In 1930, those seeds reached Mineola and took root at Chaminade High School. The tremendous support we receive from you — our parents, alumni,

Bro. Joseph D. Bellizzi, S.M. '78

alumni parents, friends, and benefactors — has enabled Chaminade to nurture those initial seeds into a robust garden.

Chaminade has embarked on a rather vigorous and creative program of growth over the past three years, while remaining

rooted in the fertile soil of time-honored traditions and faithfully adhering to the timeless values of a liberal arts education. With your continued support and the combined talents of our dedicated staff, we have seen significant growth this past year.

Completing its first full year of use, the Dolan Family Science, Technology, and Research Center (STRC) has enabled us to expand exponentially science and research opportunities for our students, through both a significantly enhanced science curriculum and several different co-curricular activities dedicated to various branches of science and research.

For 200 years, Marianists have sought to educate the whole person: mind, heart, soul, and body. Allow me to illustrate how we do this at 340 Jackson Avenue today:

- 851 sophomores, juniors, and seniors (67% of these three divisions) earned an 89.5 average or higher, placing on the honor roll.
- 342 students became members of the National Honor Society.
- The National Merit Scholarship Program named three student semifinalists, five achievement scholars, and 16 commended students.
- 408 young men graduated in 2019, 92% of whom received scholarships and grants.
- Every Chaminade man realizes that achievement lies in the honest endeavor to do their best under all circumstances. Growth is achieved through effort.

Outside of the classroom, more than 93% of our students participated in at least one sport or activity; many were involved in two or more. Worthy of special note are the hundreds of young men who are involved in the spiritual, apostolic, and service activities of the school, such as Sodality, Emmaus, the Parish Religious Education Program, retreats, and evenings of recollection.

In the athletic realm, our Flyers captured 29 season and league championships.

- Varsity Soccer won the league and state championships for the fourth consecutive year!
- The Bowling Team earned their eighth-straight league championship.
- The Crew Team took 36th out of 85 boats in the youth event at the Head of the Charles Regatta.
- Numerous teams were recognized for demonstrating exemplary sportsmanship, and several coaches were recognized as Coach of the Year.

Many of our activities have received local and national recognition this past year.

- Our school newspaper, *Tarmac*, earned a number of honors from the New York Press Association, including two first-place awards. American Scholastic Press Association recognized *Skylight*, the school literary magazine, with first-place honors, and *Crimson and Gold*, our yearbook, with second-place honors.
- The Speech and Debate Team was represented by 64 members at the state tournament, 14 at the Catholic Forensic League Grand National Tournament, and six at the National Forensic League National Tournament.
- Science Olympians were invited to compete in tournaments at Cornell and Yale Universities, placed 2nd out of 40 teams in the Regional Tournament, and went on to place 13th out of 56 teams in the NYS Tournament. This ranks the team within the top 1.9% of all teams in NYS.

We applaud with gratitude our faculty, coaches, and moderators who remain committed to offering our students a wide range of opportunities to nurture growth in all these areas.

Thank you for your support which enables Chaminade to continue to nurture the seeds of education scattered and sown by Blessed William Joseph Chaminade 200 years ago. May our Blessed Mother intercede with her Son on behalf of our work and for His blessing on each of you who so faithfully collaborate with us.

Sincerely,

A handwritten signature in dark ink, reading "Bro. Joseph D. Bellizzi". The signature is fluid and cursive, with a large, stylized "B" and "J".

Bro. Joseph D. Bellizzi, S.M. '78
Principal

Learning Today Leading Tomorrow

Dear Chaminade Family,

I am humbled to report that because of your generosity and support the Torch Fund exceeded its goals for 2019. We were able to contribute \$3,095,000 to the Torch Fund this past fiscal year.

Chris S. Neamonitis '01

These donations were comprised of \$2,158,000 in annual appeal donations, \$472,000 in Golf and Tennis Open sponsorships, live and silent auction revenue, and \$465,000 in scholarship revenue. After a very successful capital campaign in 2018, our challenge for the 2019 fiscal Torch year was to maintain strong fundraising momentum. We are extremely grateful to our alumni, current parents, members of CAPA, and the entire Chaminade Family for helping us meet that challenge.

Our 2019 *Learning Today, Leading Tomorrow* theme will continue into the 2020 Torch year — a milestone year that marks the 90th anniversary of the school's founding. A new era of education and advanced learning is now underway at Chaminade. The Dolan Family Science, Technology, and Research Center has advanced the school curriculum into new and exciting areas of opportunity and development. The new Financial Literacy Lab and associated curriculum is first-in-class. Providing students with an unmatched set of real world skills and technical expertise, the lab truly differentiates Chaminade from other secondary schools. Your generosity allows us to continue new growth initiatives for future generations of students.

Growing the legacy of giving that has helped make our school one of the nation's best value propositions in Catholic education remains the mission of the Torch Fund. Increasing stewardship in a way that can continue to defray the rising cost of tuition remains our top priority. Our goals for 2020 will highlight the importance of the Torch Fund in order to ensure the school's tradition of excellence.

Keeping with the times, we are also proud to report that Chaminade is officially on Venmo (@ChaminadeHighSchool), and we are already using the platform to increase our participation rates for this fiscal year.

We could not have had such a successful 2019 Torch year had it not been for your support, and for the tireless efforts of our Torch Committee and Office of Advancement. A special note of gratitude to Executive Director Chris Hanley '80, Director of Alumni and Parent Relations Deborah Kendric, Director Emeritus of Development and Alumni Relations Bro. Richard Hartz, S.M. '59, and their staff for their expertise, passion, and commitment to the development and advancement of our school.

We pray that we can continue to count on your generosity to keep the Torch burning brightly at 340 Jackson Avenue for the next 90 years to come.

Fortes in Unitate,

Chris S. Neamonitis '01

49th Annual

Golf and Tennis Open

Monday,
June 24, 2019

From left, Golf and Tennis Open Assistant Director Kevin Parente '82, co-chairs Kevin Cudahy '85 and Tony Spera '85, and Executive Director Bill Basel '58 organized the day's events at Chaminade's 49th annual Golf and Tennis Open.

From left, Jack Kerning '15, Dan Kerning '81, Dan Kerning '14, and Will Kerning '19 enjoy brunch at the Nassau Country Club.

From left, Joe Tatamella, Rob DeRosa '88, Dave Gildea '93, and Michael Gildea '98 enjoy cocktails before the live auction at Nassau Country Club.

A Flyer foursome gets ready to approach the first tee.

From left, Kevin Conway '76, Gary Camus '76, Gus Nuzzolese '76, and Mike Curran '76 take a break at the fourth hole.

Great rounds of tennis were played by an enthusiastic group of players.

The 2018-2019 Varsity Soccer Team celebrates after winning their fourth straight league championship at Hofstra University.

Members of the Class of 2019 join Bro. Richard '59, math teacher Carol Leotta, and Bro. Stephen '74 during the senior class trip to Disney World.

Eucharistic Ministers serve at each student-body Mass.

Many parents and their sons enjoy the Communion Breakfasts each year.

Participants celebrate a win at a Science Olympiad tournament.

A member of the basketball team dribbles downcourt during a game.

Students discover new programs on their iPads during orientation.

ABOUT CHAMINADE

Founded: 1930 | Enrollment: 1,698 | Faculty: 75 lay men and women; 16 Marianists

Curriculum: Liberal-arts college preparatory | Accredited: Middle State Association of Colleges and Schools | Tuition: Cost per student \$14,650; Cost to parents \$12,450; Endowment offset \$2,200 | Fees: None

From left, Michael Duffy '19, Patrick Fitzsimmons '19, and Christopher Devlin '19 starred in Chaminade's production of "Into the Woods."

Michael Perrone '20 and Aidan Cappellino '20 display their project at the 2019 Chaminade High School science fair.

ABOUT THE CLASS OF 2019

Award winners pose with their trophies after graduation.

Daniel Garcia was named the 2019 Chaminade Man and valedictorian. He also received the Chaminade Academic Excellence Award.

The Montelli family joins soon-to-be-graduate Michael before commencement.

Class size: 408

Total number of scholarships and grants: 2,601

Students receiving one or more scholarships or merit-based grants: 374 | College placement - 100% accepted into college, four-year: 398; two-year: 4; service academies: 3; prep schools: 3 | College board scores - Chaminade mean: verbal 660, math 650; National mean: verbal 536, math 531

The Chaminade diploma marks the beginning of a new journey.

PROGRAM OF STUDY

Freshman Year

- History of Salvation I
- English I
- Global Studies
- Geometry
- Language I
- Language II
- Biology
- Music
- Physical Education
- Academic Enrichment 9

- Algebra 10 or Precalculus 10
- Language II
- Language III
- Chemistry or Advanced Biology
- Health
- Physical Education
- Academic Enrichment 10

- Advanced Calculus I
- Language III
- Language IV
- Chemistry
- Studio Art
- Physical Education
- Academic Enrichment 11
- Bloomberg Financial

- U.S. Government and Politics
- Precalculus, Calculus, or Advanced Calculus I
- Language IV
- Language V
- Physics
- Advanced Fine Arts
- Physical Education
- Academic Enrichment 12
- Bloomberg Financial II

Sophomore Year

- History of Salvation II
- English II
- Global Studies II or Advanced European History

Junior Year

- Christian Humanism
- English III
- U.S. History or Advanced U.S. History

2019 senior class trip to Disney World.

Gifts of financial support to Chaminade keep you connected in a very tangible way to the success of our school and its students. There are several ways to ensure that our 1,700 students enjoy the most complete Catholic education Chaminade can provide. No gift is too small, and every gift matters to our young men and their families.
